

## CALOMEL WHEN BILIOUS? NO! STOP! ACTS LIKE DYNAMITE ON LIVER

I Guarantee "Dodson's Liver Tone" Will Give You the Best Liver and Bowel Cleansing You Ever Had—Doesn't Make You Sick!

Stop using calomel! It makes you sick. Don't lose a day's work. If you feel lazy, sluggish, bilious or constipated, listen to me!

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, creates into it, breaking it up. This is when you feel that awful nausea and cramping. If you feel "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store or dealer and get a 50-cent bottle of Dodson's Liver Tone. Take a

spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste. —Adv.

## PROVED EQUAL TO OCCASION

Super's Blunder Merely Served to Show the Resourcefulness of Hamilton Footlites.

Dewey, discussing the naval battle of Manila, said, "Washington Footlites."

A naval officer, it is alleged, must be quick-witted and resourceful. In the case of the Hamilton Footlites.

"Ham Footlites leaned on the rail of his sea-going yacht soliloquizing about the blue waves rolled and leaved splendidly, each blue wave being a super under a roll of canvas."

"But the waves were here and there headbare, and suddenly a wave tipped and a head bobbed up in the midst of the heaving sea and stared round in bewildered fashion."

"Ham Footlites silenced the audience's titfers with one stern glance."

"Man overboard!" he yelled in centorian tones.

Then the super, managing to draw back his head through the hole in the wave, disappeared. Ham Footlites leaved a stormy sigh.

"Another victim seized by the relentless sea, alas," he said.

Losing Venture.

"Do you know anything about the value of this play?" asked the man with horn-rimmed spectacles.

"If you mean the chap who's backing this show," answered the amiable low-brow, "I guess he's off somewhere wishing he could kick himself."—Birmingham Age-Herald.

## HOME MADE CHRISTMAS PRESENTS

### Pretty Cap for Christmas

Boudoir or breakfast caps are among the pretty luxuries that women delight in and every year at holiday time they flourish anew. It seems that they are more captivating than ever this year and it is certain they were never shown in so great a variety of designs. There is no end to the original and beautiful combinations of ribbon and lace and tiny flowers, made of ribbon or chiffon, that go to make up this most fanciful headwear.

Two of the prettiest of the new caps are shown in the picture and it is evident that they are easy to make. At the top a cream-colored, silk lace is made into a small puff which is merely a circular piece gathered about the edge to fit over the top of the head. A frill of the same lace is sewed to the puff. Over this little lace cap a shaped piece made of ribbon or silk or satin is slipped. It is made of two pieces wide at the top and narrowing to a bridle under the chin, and is lined with silk. A narrow, corded piping finishes the edges, set between the out-

In the picture three chrysanthemums are shown with sprays of preserved maidenhair ferns. These chrysanthemums are in yellow and saffron colorings and are made of paper. They have wire stems wound with green

paper. At a little distance they cannot be told from the gorgeous real flower.

At the right a small dark willow basket bears asparagus fern and a half-blown rose, together with two buds made of satin ribbon. This is the most elegant of artificial flowers for the table.

A basket made of rose petals and a lace paper doily is shown at the bottom of the picture. The foundation is of pasteboard, with a handle of green silk-covered wire. The petals, which may be of either satin ribbon or paper, are glued to the foundation, which is a circular piece of cardboard. Millinery rose foliage and two buds either of paper or satin ribbon trail over the handle. The heart of every housekeeper will rejoice over such gifts as these.

### Gifts Every Woman Likes

A lemonade and a water server are among the pretty and easily made gifts that every woman will like to receive.

At the top of the picture above, an attractive lemonade server is made of an ordinary set of tin muffin rings, to which the tinsmith has added a handle.

The server is painted with white or blue or other colored paint and at-

side and the lining. The bridle fastens with snap fasteners under a prim little bow of two loops. Millinery flowers are tacked on at the sides.

The cap below is made of two wheels of fine net joined by a gathered band of satin ribbon, about five inches wide. The wheels are made of straight strips of net stirred together and edged with narrow val lace. This lace extends around the cap.

Baby ribbon is gathered and set about the wheels where the strips of net join and inside the lace edging. At the back a bow with long loops and ends is made of narrow ribbon matching the cap in color.

### Set for My Lady's Desk

Just how attractive a desk set may be when it is made of heavy, delft-blue paper and ornamented with white flowers and black foliage, may be gathered from the picture above.

An oblong the size of an ordinary desk blotter is provided with two pockets extending across each end. They are fastened to it by means of

black passepartout binding which extends along all sides of the oblong. Two smaller oblongs are cut from the heavy blue paper, to cover an address book and two white blotters. Narrow blue satin ribbon is used for fastening the leaves of the address book to its cover, and the two blotters to their cover. Then the covers are lettered.

The flowers and foliage are cut from printed paper napkins and pasted down. They look exactly like stencil painting. This is a convenient and pretty set, which costs next to nothing to make.

### Pretty Table Decorations

Table decorations ought to come in for much attention as Christmas gifts this year, for there is a fad for artificial flowers as centerpieces. And the dining room is not the only one boasting beautiful touches of color in wonderfully life-like flowers made of ribbon or paper or bought from the milliner.

As a centerpiece for a luncheon table a little basket of ribbon roses sets in the midst of rose petals scattered over the cloth. Each rose petal, made of satin ribbon, is a tiny sachet.

satin ribbon narrower than the other. The scarf fastens with snap fasteners, and is finished with gray silk tassels.

At the right a ribbon ruff is made of wide satin ribbon. It is laid in double box plaits and sewed to a neckband stiffened with crinoline. It fastens under a tie of velvet ribbon.

### Kidney Disorder

(BY DR. V. M. PIERCE.)

The most simple methods are usually the most effective ones when treating any disorder of the human system. The mere drinking a cup of hot water each morning, plenty of pure water all day, and a little Anuric before every meal has been found the most effective means of overcoming kidney trouble. Death would occur if the kidneys did not work day and night in separating poisons and uric acid from the blood.

The danger signals are backache, depression, pains, heaviness, drowsiness, irritability, headaches, chilliness, rheumatic twinges, swollen joints or gout.

Since it is such a simple matter to step into your favorite drug store and obtain Anuric, anyone who earnestly desires to regain health and new life will waste no time in beginning this treatment.
